**Patience Ogunbona (FCCA) (CIA)**  
Certified Transformational Coach, Business Trainer  
Speaker & Executive Director John Maxwell Team

## Bio

Patience Ogunbona is an Aligned Business Strategist, Certified John Maxwell Transformational Coach, Inspirational Speaker and the Author of a personal development book titled *Aspiration to Transformation (10 Simple Steps to move you from discomfort to empowerment zone)*. She is also the founder of *Aspire-Transform-Inspire (ATI -Coaching)*, a coaching and training company that offers tailored world class resources and training to help organisations add value to their staff and ensure strategic alignment to the organisations mission, vision and objectives.

Patience is passionate about helping aspiring and new entrepreneurs **DISCOVER** purpose and potential, **DEVELOP** it to high performance level that allows them to **DELIVER** excellence and **DESIGN** an aligned business and fulfilled life.

Patience helps aspiring, ambitious and driven men and women channel their entrepreneurial pursuits strategically for success. She provides tools and leadership skills that enable a shift in mindset and transition from employee to entrepreneur (business) or intrapreneur (career progression).

She helps entrepreneurs design a business that is aligned to their core values and definition of success, and also helps you create the right foundations so you can scale your business.

She is also a Chartered Accountant and Auditor, who understands how business works, the challenges faced by employees and the Strategic Leadership Skills required to build a successful business.

As a John Maxwell Executive Director and Founder of *Aspire- Transform-Inspire*, she is equipped and in good standing to take you on your success journey. Having developed programmes and systems that guide you through and empower you to take action.

If you are a new coach, consultant or service-based business, and looking to turn your passion and talent into a thriving business. Patience passion and unique talent is the ability to intuitive guide you as a strategic thinker and accountability partner, providing you with the right environment and tools to create a business that is congruent, and follows the right steps for sustainability.

As a catalyst and enabler for change and growth, her mastermind sessions provide opportunities for you to engage with likeminded people and discover how to leverage your God given talents and gifts for results and to create the life you desire.

She is classed as an inspiration Keynote Speaker, who inspires and challenges you to overcome adversity, quit making excuses and live your best life here and now.

Patience motto is: "Impossible is an opinion, feel free to disagree and carve your own path and journey to success".

She looks forward to being part of your transformational journey and success.
